

How to navigate your DVD How Many Seats?

1. **PLAY ALL** and **PLAY SEGMENTS** are the same footage with the option to play the complete track from beginning to end – **PLAY ALL**, or the option to play each segment of the track – **PLAY SEGMENTS**.
2. **ADDITIONAL PLANNING SEGMENTS** are extra footage from the planning sessions.
3. **SUPPORTING MATERIALS** allows you to view the student question and worksheet and the lesson study cycle diagram. Each slide will hold on your screen for 8 seconds and then return to the previous menu. You may pause the slide using your DVD player's pause button.
4. **DVD web link access**. From the main menu of this DVD you can link directly to our web site www.lessonresearch.net, if you are connected to the internet. You can also link directly to a web page (in SUPPORTING MATERIALS menu) which is devoted to this DVD and contains documents to download www.lessonresearch.net/howmanyseats

If you are experiencing difficulties connecting through the web link provided in this DVD, check that in your DVD player preferences the DVD@CCESS link is enabled.
